EDUCATION

University of Illinois at Urbana-Champaign – **Grainger College of Engineering** *Expected May 2029*
Bachelor of Science in Mechanical Engineering, Business Minor ***GPA: 3.78/4.00***

Adventis Financial Modeling Program – Level II Certified

- Built a fully circular, properly formatted three-statement financial model from scratch in under 60 minutes
- Achieved scores greater than 90% on two rigorous exams encompassing financial modeling, accounting, corporate finance, discounted cash flow, comparable companies, precedent transactions and LBO analyses

EXPERIENCE

NETZSCH Pumps & Systems – Exton, PA *May 2026 – August 2026*
Operations and Technology Intern

- Mapped how 100+ orders a month moved across 5 departments and SAP by interviewing 10+ employees
- Developed 7 Excel and Power Automate tools, including PO-to-quote checks and a warranty approval flow
- Built a spare-parts pricing tool that matches new parts to 14,700+ catalog entries to recommend list prices
- Trained 13 Sales and Operations employees on the new tools and wrote SOPs, saving 40+ hours a month

PRIME Mergers and Acquisitions – Champaign, IL *February 2026 – May 2026*
Analyst

- Valued Boot Barn Holdings (NYSE: BOOT) at $95–$100 per share in a pitch deck built by a 4-person team
- Built a 5-year DCF projecting revenue from $2.5B to $3.7B, with WACC and exit multiple sensitivities
- Benchmarked EV/EBITDA and EV/Revenue across 5 comparable companies and 4 precedent transactions
- Recommended Boot Barn stay independent, grow e-commerce for 2 years, then seek a strategic acquirer

Illinois Business Consulting – Champaign, IL *August 2025 – May 2026*
Senior Consultant

- Analyzed CRM workflows across 30+ dealers to see how each one tracked and followed up on renewals
- Prepared 10 slide decks for weekly client calls, summarizing dealer findings and next steps for the team
- Recommended marketing, training and incentive changes projected to raise license renewal rates by 10–15%
- Researched how a Fortune 500 client's competitors use generative AI and flagged the most promising uses

LEADERSHIP & ACTIVITIES

Business Council – Champaign, IL *February 2026 – Present*
Committee Member

- Selected as 1 of 38 members from 700+ applicants to a student-run professional development organization
- Foster relationships with 12 corporate partners by attending networking events and company presentations

JPMorgan Chase Innovate for Impact Case Competition – Columbus, OH *January 2026 – March 2026*
Team Member

- Designed an AI governance framework for JPMC's internal AI platform as part of a 4-person case team
- Evaluated data quality, cybersecurity and compliance risks to strengthen controls and support secure AI use
- Created a financial implementation plan and presented the team's final recommendations to JPMC leaders

Lexington Technology Center DECA (High School) – Lexington, SC *August 2021 – May 2025*
President

- Led a 120+ member chapter through weekly meetings and 6 practice sessions, doubling qualification rates
- Hosted county-wide fundraising events benefiting Ronald McDonald House, raising $7,000+ in donations
